

## Taskize beats both phone and email for client satisfaction

It's official! Clients are happier when they use Taskize to contact Euroclear rather than phone or email.

● = Happy    ● = Unhappy    ● = Neutral

Taskize, Euroclear's preferred and premium client communication channel, operates in 88 countries and their network of 550 firms grows weekly. The award-winning collaboration platform minimises risk, improves client service and increases operational capacity.

Reach out to your account manager for more information.
